

## **Exodus 7 -- The Egyptians shall know that I am the Lord**

1 And the Lord said unto Moses, See, I have made thee a god to Pharaoh: and Aaron thy brother shall be thy prophet. The actions are powerful, like God. We see two witnesses here, a powerful testimony to the powers that be. 2 Thou shalt speak all that I command thee: and Aaron thy brother shall speak unto Pharaoh, that he send the children of Israel out of his land.

Quite simple really, just relay what God commands to Pharaoh. 3 And I will harden Pharaoh's heart, and multiply my signs and my wonders in the land of Egypt. A wonderful promise that reveals an awesome God. 4 But

Pharaoh shall not hearken unto you, that I may lay my hand upon Egypt, and bring forth mine armies, and my people the children of Israel, out of the land of Egypt by great judgments. Many saints are bothered that no one listens to their testimony. But this is essential. When they don't listen to Moses it opens the door for God to lay His hand on Egypt. 5 And the

Egyptians shall know that I am the Lord, when I stretch forth mine hand upon Egypt, and bring out the children of Israel from among them. It opens the door for the gospel. It exposes the world leaders as a fraud. 6 And

Moses and Aaron did as the Lord commanded them, so did they. 7 And Moses was fourscore years old, and Aaron fourscore and three years old, when they spake unto Pharaoh. Their life was over. According to Moses the lifespan if you are strong is 80 years. His attitude and the attitude you need is that your life is over, no longer I that live but Christ who lives in me. 8

And the Lord spake unto Moses and unto Aaron, saying, 9 When Pharaoh shall speak unto you, saying, Shew a miracle for you: then thou shalt say unto Aaron, Take thy rod, and cast it before Pharaoh, and it shall become a serpent. During the mortgage crisis the government was revealed to be a

serpent. To make it very simple the investment banks had developed a way to take boring mortgages and turn them into a rocket ship of an investment.

Very high returns without any risk. Exactly what pension funds needed and so they gobbled them up by the billions of dollars making these investment banks super rich. Of course, it was a lie. To help sell the lie they made the product they were selling so complicated no one would try to read the ingredients and they coerced the ratings agencies who were supposed to read them to look the other way. As a result they robbed the country blind.

Pension funds were destroyed, tens of millions became homeless, they brought the US economy to the brink of bankruptcy. But the economists, the governments magicians were also able to reveal the crimes of these

individual investment banks. But who paid for it? It was the US government that swallowed the whole cost, that means the taxpayer was the one that paid for the sins of these investment banks. 10 And Moses and Aaron went in unto Pharaoh, and they did so as the Lord had commanded: and Aaron cast down his rod before Pharaoh, and before his servants, and it became a serpent. 11 Then Pharaoh also called the wise men and the sorcerers: now the magicians of Egypt, they also did in like manner with their enchantments. 12 For they cast down every man his rod, and they became serpents: but Aaron's rod swallowed up their rods. In retrospect this was an opportunity to repent to God, to confess how crooked and corrupt the US government and the system were. But they didn't they hardened their heart instead. They bailed the banks out and it quickly returned to "business as usual". 13 And he hardened Pharaoh's heart, that he hearkened not unto them; as the Lord had said. 14 And the Lord said unto Moses, Pharaoh's heart is hardened, he refuseth to let the people go. 15 Get thee unto Pharaoh in the morning; lo, he goeth out unto the water; and thou shalt stand by the river's brink against he come; and the rod which was turned to a serpent shalt thou take in thine hand. 16 And thou shalt say unto him, The Lord God of the Hebrews hath sent me unto thee, saying, Let my people go, that they may serve me in the wilderness: and, behold, hitherto thou wouldest not hear. 17 Thus saith the Lord, In this thou shalt know that I am the Lord: behold, I will smite with the rod that is in mine hand upon the waters which are in the river, and they shall be turned to blood. 18 And the fish that is in the river shall die, and the river shall stink; and the Egyptians shall lothe to drink of the water of the river. 19 And the Lord spake unto Moses, Say unto Aaron, Take thy rod, and stretch out thine hand upon the waters of Egypt, upon their streams, upon their rivers, and upon their ponds, and upon all their pools of water, that they may become blood; and that there may be blood throughout all the land of Egypt, both in vessels of wood, and in vessels of stone. 20 And Moses and Aaron did so, as the Lord commanded; and he lifted up the rod, and smote the waters that were in the river, in the sight of Pharaoh, and in the sight of his servants; and all the waters that were in the river were turned to blood. 21 And the fish that was in the river died; and the river stank, and the Egyptians could not drink of the water of the river; and there was blood throughout all the land of Egypt. The Nile river is the "economy" of Egypt. Smiting the river was equivalent to smiting the economy. This pandemic has turned the world's economy to blood. Travel has plummeted. Airlines, car rental and

hotels are all on the brink of collapse. Movie theaters, large stadiums, sports events are also on the brink of collapse. Commercial real estate and retail outlets are also going bankrupt. The one thing all these have in common is mortgages that banks hold that they can no longer pay. Moratoriums on evictions have been renewed repeatedly. The banks are being crushed. The US government has been printing money by the trillions, they don't talk about it and it doesn't affect our "debt" because they have exchanged the money for corporate debt. On paper they say the two are equal, but in reality that debt will be revealed to be worthless and the dollar will collapse. People are scratching in the dirt to make a living. [22 And the magicians of Egypt did so with their enchantments: and Pharaoh's heart was hardened, neither did he hearken unto them; as the Lord had said.](#) The magicians are those working for the CDC and WHO which explain how this pandemic is a virus and that they are working on a vaccine, etc. The Lord has judged the world's economy and turned it to blood and still they don't recognize that this is God's judgement for devouring widows' houses and their pensions. [23 And Pharaoh turned and went into his house, neither did he set his heart to this also.](#) As far as Pharaoh can see his house is just fine. He doesn't realize that he is now on a path that leads to the bottom of the Red Sea. [24 And all the Egyptians digged round about the river for water to drink; for they could not drink of the water of the river. 25 And seven days were fulfilled, after that the Lord hath smitten the river.](#) This pandemic will last for a "week". We are at the beginning of the tribulation, the last week of Daniel's vision, the last seven years of God's move to gain Jerusalem on earth.
